Deciding how you'll use your OTC benefits? Choose quality products from the heart.

Product promise

We require all of our products to be safe and effective. That's why we put them to the test with an average of 350 quality tests a day.

Factory pledge

We hold our factories to a high standard. We work with them to make sure they follow good manufacturing practices. And we make sure that they follow ethical sourcing practices.

Beyond the basics

Our standards are anything but standard. That's why our vitamins are Tested to be Trusted[®].^{*} And why we restrict chemicals of concern from our beauty products.

Customer focus

Your feedback helps us make our products better. That's why we closely monitor ratings and reviews. And we take notes on in-store shoppers' experiences so we can answer their needs.

For Tested to be Trusted[®]: Product samples are tested by an independent third party. Tests are performed on a single lot. Exclusions apply. For details, please visit [CVS.com/Trusted](https://www.cvs.com/Trusted).
