## *Directorio de proveedores del 2020*

## **WELCOME TO CAROLINA COMPLETE HEALTH**

We would like to welcome you to Carolina Complete Health

Carolina Complete Health provides health care services for the North Carolina Medicaid program. We provide physical health services, behavioral health services, long-term services and supports (LTSS) that are convenient and accessible. Our main priority is making sure you receive high-quality health care coverage.

**This is your provider directory.** Below we tell you how to use the directory. Let us know if you need help understanding this.

If you need them, interpreter services are provided at no charge to you, including sign language and real-time oral interpretation. To get an interpreter, call Member Services at 1-833-552-3876 (TTY: 711).

We are adding new providers every day. If your doctor is not listed or their information does not look complete, please check online for new updates at [CarolinaCompleteHealth.com](http://CarolinaCompleteHealth.com) or call Member Services at 1-833-552-3876 (TTY: 711).

## **EASY TO USE**

Getting benefits from Carolina Complete Health is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician.

That is why you, and any of your family who are members of Carolina Complete Health, need to choose a Primary Care Provider (PCP) or a Clinic that has multiple PCPs.

When you need care, start with a call to your PCP for an appointment. Tell them you are covered by Carolina Complete Health. If needed, your PCP will make a referral for specialized care. It's that simple.

### **ACCESSIBILITY**

If you use a wheelchair, walker, or other aids and need assistance getting into your provider's office, call their office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Member Services at 1-833-552-3876 (TTY: 711).

### **TAKING CARE OF YOU AND YOUR FAMILY**

We encourage you to make appointments for regular check-ups. Benefits with Carolina Complete Health include :

- Screenings
- Diagnostic x-rays
- Lab tests
- Mammograms
- Eye exams

## **IF YOU HAVE TO BE HOSPITALIZED**

## **IMMEDIATE AND EMERGENCY CARE**

With Carolina Complete Health, you have access to medical services 24 hours a day, 365 days a year. If you have a serious illness or injury that needs immediate attention, first call your PCP. They know your medical history best.

**In the event of a potentially life threatening emergency**, call 911. Or go to the nearest emergency room. If you are admitted to the hospital, they will call Carolina Complete Health within 48 hours to notify us of your medical situation. Or you can have someone else call for you.

Some examples of emergencies are:

- Severe pain of any kind
- Change in mental status
- Change in neurological status

## **FÁCIL DE USAR**

Obtener beneficios de Carolina Complete Health es fácil. Consideramos que la mejor manera para que usted mantenga una buena salud es desarrollar una buena relación con su médico de familia. Es por eso que usted, y todo miembro de su familia que se

afilie a Carolina Complete Health, deben elegir un Proveedor de Atención Primaria (PCP, por sus siglas en inglés) o una Clínica que tenga varios PCP.

Cuando necesite atención, comience con una llamada a su PCP para hacer una cita.

Infórmeles que usted está cubierto por Carolina Complete Health. Si es necesario, su PCP hará una referencia para atención especializada. Es así de sencillo.

## **ACCESSIBILIDAD**

Si usa una silla de ruedas, andadera u otras ayudas y necesita que alguien le ayude a entrar al consultorio de su proveedor, llame al consultorio antes de llegar allí. De esta forma, alguien estará listo para ayudarle cuando llegue allí. Si desea ayuda para hablar con su proveedor sobre sus necesidades especiales, llame a Servicios para los afiliados al 1-833-552-3876 (TTY: 711).
